NOTE VERBALE

The Austrian Embassy presents its compliments to the Ministry of Higher Education, Science, Research and Innovation of the Kingdom of Thailand and has the honour to inform that the Austrian Federal Ministry of Education, Science and Research (BMBWF) announced that for the academic year 2026/27 scholarships will again be made available for foreign students, graduates and scientists. The scholarship announcements are made via the Austrian Database for Scholarships and Research Funding www.grants.at (available languages: German and English). In addition to the scholarships provided by the Federal Ministry of Education, Science and Research, this database also contains information on scholarship programmes of other institutions.

The following scholarship programmes could be of particular interest to you:

- Franz Werfel Scholarship - Target countries: worldwide

  Franz Werfel Grant is intended for persons with above-average qualifications, preferably with teaching experience and employment at a university, who focus on Austrian literature. The duration of the scholarship is four to nine months; an extension to up to 18 months is possible. Persons who consumed at least 12 scholarship months can apply for the follow-up support programme.
- Ernst Mach Scholarship worldwide - Target countries: worldwide

  The Ernst Mach Grant – worldwide invites applications from PhD students, postgraduates, postdocs and young lecturers from universities outside of Austria. Students and academic teaching staff from all fields of study can apply for a grant period of 1 to 9 months, extensions are not possible.
- Ernst Mach Scholarship to study at an Austrian university of applied sciences - Target countries: non-European countries (and Ukraine)

  Undergraduate and graduate students form non-European countries (conducting a degree Bachelor on Master level) can apply for the Ernst Mach Grant for Studying at

Austrian Embassy Bangkok
14, Soi Nantha – Mozart, Sathorn Soi 1
Sathorn Tai Road, Thungmahamek, Sathorn, Bangkok 10120
phone: (+66/2) 105 6700, fax: (+66/2) 024 9558
Email: Bangkok-ob@bmeia.gv.at, Internet: www.aussenministerium.at/bangkok

an Austrian university of applied sciences, which allows research visits of 4 to 10 months at an Austrian university of applied sciences. Extensions are not possible.

Ernst Mach Scholarship ASEA UNINET - Target countries: Indonesia, Cambodia, Laos, Malaysia, Myanmar, Philippines, Thailand and Vietnam

Applications are open to graduates in the field of music, postgraduates with a master degree (including master thesis), and postdocs with a doctoral degree (or equivalent). Currently, applications from ASEA-UNINET member universities in Indonesia, Malaysia, Philippines, Thailand and Vietnam are accepted. Depending on their type, the grants are awarded for up to 9 months to up to 36 months.
